As a registrant of the resource fair, please note the following:

- Space is limited! Priority will be given to past resource fair participants and our current speakers. We will do what we can to accommodate as many booths as possible.
- Displays may be set up on Wednesday, April 4th at 7:30am. Your organization will be responsible for the assembly and dismantling of the display. Displays must be dismantled by Thursday, April 5th at 5:00pm.
- Resource fair table staff are responsible to purchase meals if they are not registered conference attendees. Payment can be made at the time of resource fair check in and set up. If your staff needs to purchase meals, contact rsilbernagel@pathinc.org.
- Your registration for the resource fair does not also register you for the conference as an individual attendee. To register to attend the conference event, please complete registration instructions as they are announced.
- A reminder for the resource fair event will be sent out a couple weeks before the conference.
